

ARCHOS

The Multiplexx Case and Holster collection for The Archos 9 Tablet PC

The ARCHOS 9 combines the performance of a laptop with breathtaking aesthetics, excellent ergonomics and a touch screen. No need to bring your laptop everywhere: you can now do all your daily tasks comfortably on the go with this portable PC. The ARCHOS 9 will surely fit in your bag as it's no bigger than the keyboard of a Netbook and only 17 mm thick. You will be able to check your emails, type text and have a look to your social network anywhere, just like on a portable PC. The black stainless steel body gives a very classy aspect to the device.

Benefits of the case

This case has been designed to offer a high level of protection, accessibility and flexibility . The synthetic material and screen flap offer protection from drops and knocks so that the ARCHOS 9 stays in top condition. The ARCHOS 9 is easily accessible with carefully designed slots for accessing the ARCHOS 9's features. The screen flap can be removed quickly in order for the operator to see and use Touch Screen Display.

Case features:

- Synthetic case, for a nice feel and appearance.
- Screen flap, to protect keys and Display from damage.
