

The Multiplexx Case and Holster collection for Datalogic's Global Memor, Skorpio and Kyman EDA's

Memor; Small and slim, the Memor provides excellent ergonomics for single-handed use with rugged construction to survive unintentional drops and exposure to water and dust.

Skorpio; The Skorpio is a rugged mobile computer particularly suitable for mobile commerce solutions in the retail environment both on store shelves and in the stock room. Thanks to one of the best ergonomics ever seen on the market, Skorpio reduces operator fatigue with no compromise in terms of reliability and robustness, resisting harsh environments, multiple drops, strong shocks and repetitive tumbles.

Kyman; The Kyman rugged mobile computer is designed to survive demanding environments and provide ergonomics that reduce operator fatigue. A sturdy outer case with overmold protection ensures reliability and robustness.
