

The Multiplexx Case and Holster collection for The Getac V100 Tablet PC

The Getac V100 Fully Rugged Notebook transforms with one quick rotation to a Rugged Tablet PC. Designed with the real-world in mind, the V100 is equipped with multi-touch solution for professions without taking off the gloves under critical environments. Getac V100 is both MIL-STD-810G certified and IP65 certified, composing a magnesium alloy case, a shock-protected HDD, vibration and drop resistance, and sealed I/O caps and doors to prevent damage from solid particles and moisture.

SYNTHETIC CASE WITH SCREEN FLAP AND SHOULDER STRAP

Multiplexx Order Code: 0000-0861

Benefits of the case

This case has been designed to offer a high level of protection, accessibility and flexibility . The Leather material and screen flap offer protection from drops and knocks so that the V100 stays in top condition. The V100 is easily accessible with carefully designed slots for accessing the V100's features. The screen flap can be removed quickly in order for the operator to see and use the Touch Screen Display.

Case features:

- Synthetic case, for a nice feel and appearance.
- Screen flap, to protect keys and Display from damage.
- Stylus loop
- D-Rings for accessories such as shoulder straps
- Shoulder strap
